GLENWOOD LUTHERAN CHURCH CLUSTER LIST

All members of GLC are assigned to a cluster. Some members have asked that we publish the Cluster Lists so you can see what cluster your household is in, and who else is in your cluster. If you see an error or need to make a correction, call the church office, 634-4514.

What are “Clusters?” As members of Glenwood Lutheran Church we are all called to serve our fellow members - and sometimes others in our community. To make this service possible we are divided by households into “clusters,” each serving a month in a continuing rotation.

Clusters serve for one month, and as we currently have 9 clusters, we are using a 9-month rotation. Each cluster has a “chair” and they contact members to serve. If asked to help please say “yes. The entire household is included in the cluster, men, women and youth are all included and asked to participate.

You’ll make new friends and have new experiences while serving your neighbor. It’s vital, for this to work, that the church office has your up-to-date phone number and/or email address for the Cluster Lists. Please keep the office, 634-4514, updated when there are changes.

New members will receive a card in the mail telling which cluster they have been assigned to, so watch for those to arrive shortly. The Monthly Cluster rotation is once every nine months. The Funeral Cluster rotates one every nine funerals.
