Sunday is the Fifth Sunday of Easter and Annual Meeting Sunday. Please join us for one worship service at 10:30am followed by the Annual Meeting, followed by the taking up of the pews—you don't want to miss it. Also Sunday the livestream moves from 11:00am to 10:30am for the rest of the summer. The change is now because there is only one 10:30am worship service this Sunday and next (Memorial Day weekend), and then the following Sunday we move to the Park for the summer. Please let folks know of this change, if they are not readers of the E-News.
