## PRAYER FOR SOMEONE IN THE HOSPITAL

God of healing and wholeness, you alone can offer \_\_\_ what is most needed; patience while your will is being done, trust in your goodness and mercy, and your peace that passes all understanding.

Grant to all \_\_\_ doctors, nurses, and technicians hearts filled with caring, compassion, and gentleness and the wisdom to see and do what is appropriate.

Above all, enfold \_\_\_ and his/her family within the bounty of your love.

In Jesus' name we pray.

Amen

## PRAYER FOR SOMEONE BEFORE SURGERY

O God, who art the only source of health and healing, the spirit of calm and peace; bless your servant \_\_\_\_\_ as he/she enters into this difficult period.

Be ever present with him/her through surgery, and let him/her feel the presence of our prayers, let him/her know he/she is loved. Speed his/her recovery, strengthen him/her and give him/her peace, through Jesus Christ Our Lord,

Amen.
